Dear Sir,

I am looking
forward to the pleasure
of seeing you at my house
this evening upon your sail
and am asking after
friends to meet you

As it is not improbable
that you may have made
some changes in your plans
I shall be glad to know
whether August 25 is
still the date of your departure.

Mrs Crosfield and I am
just leaving for the
Continent but if you will
reply by the enclosed post
card I shall get the desired

information forwarded
to me –
With kind regards to
your son who I hope will
accompany you
Germain
Yours truly
G. Chrystie Jr
